2021 Scholarship Winners

# Congratulations to our 2021 Scholarship Winners! . . . . .

This year we received 25 applications from students across four different states. The applicants were so impressive, we decided to add a third scholarship for the first time! Please join us in congratulating our winners below.

Isabel Baca attended Euclid High School. During her time there, she was Valedictorian, National Honor Society member, National Merit Commended Scholar member, and a member of the varsity softball team for four years - two of those years as captain. She is also an accomplished guitarist.

Isabel will attend Ohio University as an Ohio honors student and study chemical engineering- energy and environment track.

Ella Lisac is attending the University of Cincinnati this fall. Throughout high school, she participated in student council, rowing, and swimming, where she made it to the State Meet during her junior and senior years. She plans to continue swimming in college on UC's club swim team.

Outside of school, she likes to take trips to downtown Cleveland with friends, which is where her interest in city design began. This interest grew into a passion, leading her to study Urban Planning in the University of Cincinnati's Design, Architecture, Art, and Planning program.

Charles Stachnik attended Villa Angela - St Joseph High School. During his time there, he was on the Honor Roll, Football team, Basketball team, and Baseball team - he served as captain for both Wrestling and Baseball teams.

Charles plans to attend Aquinas College in Grand Rapids, Michigan majoring in History with a focus on Secondary Advanced Education.
