Eaton Family Credit Union and several partners are working to combat the high costs of post-secondary education by offering several scholarships to our Members and their family members. Eaton Family Credit Union is committed to the education of our young Members. Our scholarship program was established to provide funds to qualifying student Members to assist them in securing a brighter future through higher education.

\$12,000 in scholarship money was provided to Members who graduated high school in 2022. We provided **two \$5,000 scholarships** to students who are now attending a 4-year college or university, and **one \$2,500 scholarship** to a student who is attending a 2-year program at a community college
